

# **My role as a DEI Council topic volunteer**

**I am open, creative, and comfortable starting with a blank page**

**I have some ideas, I know how to start but need more guidance**

**I am passionate, but not sure how to start**

**I have knowledge, contacts, or content for the topic. I have a clear idea of what my output will be**

**The Council leads will reach out with suggested ideas on the topic. I will use one of these to further develop the output with the other members for the month.**

**When the Council leads for the quarter reach out, inform them that you need guidance. If you are not ready to lead, you can contribute to the collective idea of the topic.**

**I will present my content format at the DEI monthly check-in and work with the Council quarter leads & HR to publish on the blog.**
